

EC-Certificate of Conformity

Certificate No. 0086-CPD-96704

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

is submitted by the manufacturer to a factory production control, and that the notified body BSI has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the Standard

BS EN 54-5

were applied and that the product fulfils the prescribed requirements.

For and on behalf of the British Standards Institution, a Notified Body for the above Directive.
Notified Body Number 0086.

Anne Boyd, Managing Director, BSI Product Services

First Issued 01 September 2005

Date 01 September 2005

Page 1 of 2

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory product control itself are not modified significantly.

The British Standards Institution is incorporated by Royal Charter.
